Remembering the Past...

Cross Over the Bridge

In remembrance of those who sacrificed and gave their lives to the movement, Mrs. Evelyn G. Lowery and SCLC/W.O.M.E.N., INC has constructed thirteen memorials in their honor.

We build on the legacy of Mrs. Lowery by continuing to host the two-day **Evelyn Gibson Lowery Civil Rights Heritage Educational Tour** each year and retrace the steps of the Civil Rights Movement throughout Alabama.

The tour originates from the SCLC/W.O.M.E.N., INC headquarters, in Atlanta, Georgia. Guests are invited to sit back, relax and feel the spirit of the Civil Rights Movement of the 50's, 60's, 70's and beyond. The tour traces the paths of history by visiting the historic sites in **Birmingham, Marion, Selma, Whitehall, Montgomery, and more.** Viewing the landmarks, meeting the people who made history, and reliving events which brought about dramatic change in our country.

Hear the stories of guides who were there in 1965, see the sites and meet the people of the movement.

Over the years, national leaders, students, international dignitaries, and citizens from all over the U.S. have joined our tour and we thank each and every one of you for your support.

SCLC/W.O.M.E.N., INC. takes pride in sharing the meaningful experience of the Civil Rights Movement with you and the impact these events have made on our society. Let us not forget the sacrifices made by many in this remarkable period in America's history.
